

A former pupil of Ysgol Bryn Alyn, I have been a Parent Governor for 4 years, Community Governor for the last 6 months and I have also been a Local Authority Governor for 6 years. I have also been Chair of Governors at Gwersyllt CP School for the last 2 years, and have seen them through some difficult times. I am also a Community Councillor.

I served for over 25 years in the armed forces, and now work full time for the Multi-National company Prysmian Cables, based in Wrexham. I have three children, aged 38, 35 and a 16 year old who attends Ysgol Bryn Alyn.

I am involved in the Schools Challenge Cymru process, and I am particularly keen to improve the performance and outcomes for pupils, as well as working jointly with the Local Authority and teaching staff to get the school into a green category with in the next few years.
