

Dear Parent/Guardian,

The Music, Media and Art departments intend to run a 4 night/6 day Performing Arts trip to New York, to take place around the final week before February half term in 2020. I am writing to you to confirm initial interest before I proceed with any bookings. The trip will be a fantastic learning experience that incorporates many aspects of media studies, art and music. I have organised a series of very successful trips to London with the same travel company and I am excited to pursue an international trip.

So far in the conversations I have had with Study Experiences I have received a rough quote of approximately £1400 to include the following:

- Return **air travel** from Heathrow Airport and 1 checked luggage allowance
 - **Transfers** to and from the airport to the hotel
- **Hotel accommodation** in Midtown (Times Square) for 4 nights and hotel portorage
 - Experienced Study Experiences **tour guide** for the duration
- Sightseeing activities including: **9/11 memorial**, Ellis Island Ferry (**Statue of Liberty**) and **Top of the Rock** (city wide views).
 - Tickets to a **Broadway** evening show
- **'Superhero' Tour of Manhattan**, visiting 40 over film locations around the city from films such as Batman and the Avengers.
 - A walking tour of Brooklyn exploring the **street and graffiti art**.
 - **4 evening meals**

There are also many other free opportunities like central park, Brooklyn bridge and Time Square itself that we can take advantage of to make the most of the experience.

I hope you agree that the experience on offer here is fantastic and at a reasonable price considering the activities that are on offer.

Please note this trip will be offered to those pupils who take GCSE options in Music, Art and Media in the first instance. We are looking to take 28-32 pupils and the activities incorporate aspects studied within each subject during the GCSE years. Please register your interest on the attached form. Once I have collated the response and confirmed more details I will send further letters explaining deposit process and final booking information.

Miss H Welsby (Head of Music)

Performing Arts trip to New York 2020

I would like to confirm my son/daughter _____'s initial interest in the trip to New York. Please contact me with more information.

Their main interest is:

Music

Media (Film Studies)

Art

Signed _____ (Parent/Carer Date _____)
