Dream. Reach. Achieve.

Dear Parents/ Carers,

12th July 2019

We are planning on introducing 'Parent App' during the next academic year. It is a system that will help to improve communication between us as a school and you, as parents/carers. Our aim is to phase out printed letters and reports and replace them by distributing all future communications electronically. The app can be accessed via your smart phone or iPad. You will be able to see the information that the school holds for your child, check and monitor their attendance & conduct (behaviour), see copies of their yearly reports and progress updates, see a copy of your child's timetable, as well as be able to update your contact details, as and when the need arises.

We will require you to return the form below confirming **individual** parental email addresses. A joint email address will **not** be accepted. Any parent without an individual email address will **NOT** have access to the electronic system. If you do not have an email address, please indicate this on the slip below so that we can accommodate you with printed communications.

Once we have the required information, we will be contacting you again in the new academic year to inform you of your unique logon details and more information about how to access and use the Parent App.

Thank you for your support with this new initiative, please ensure the slip is returned safely and confidentially to your child's Form Tutor by **Wednesday 17th July** at the latest.

Yours sincerely

Mrs J. Ebrey
Deputy Headteacher
