

Homework @ YBA

DREAM. REACH. ACHIEVE.

Homework is an important part of learning at Ysgol Bryn Alyn and pupils can expect to receive homework regularly from their teachers. The amount and type of homework will vary depending on the subject.

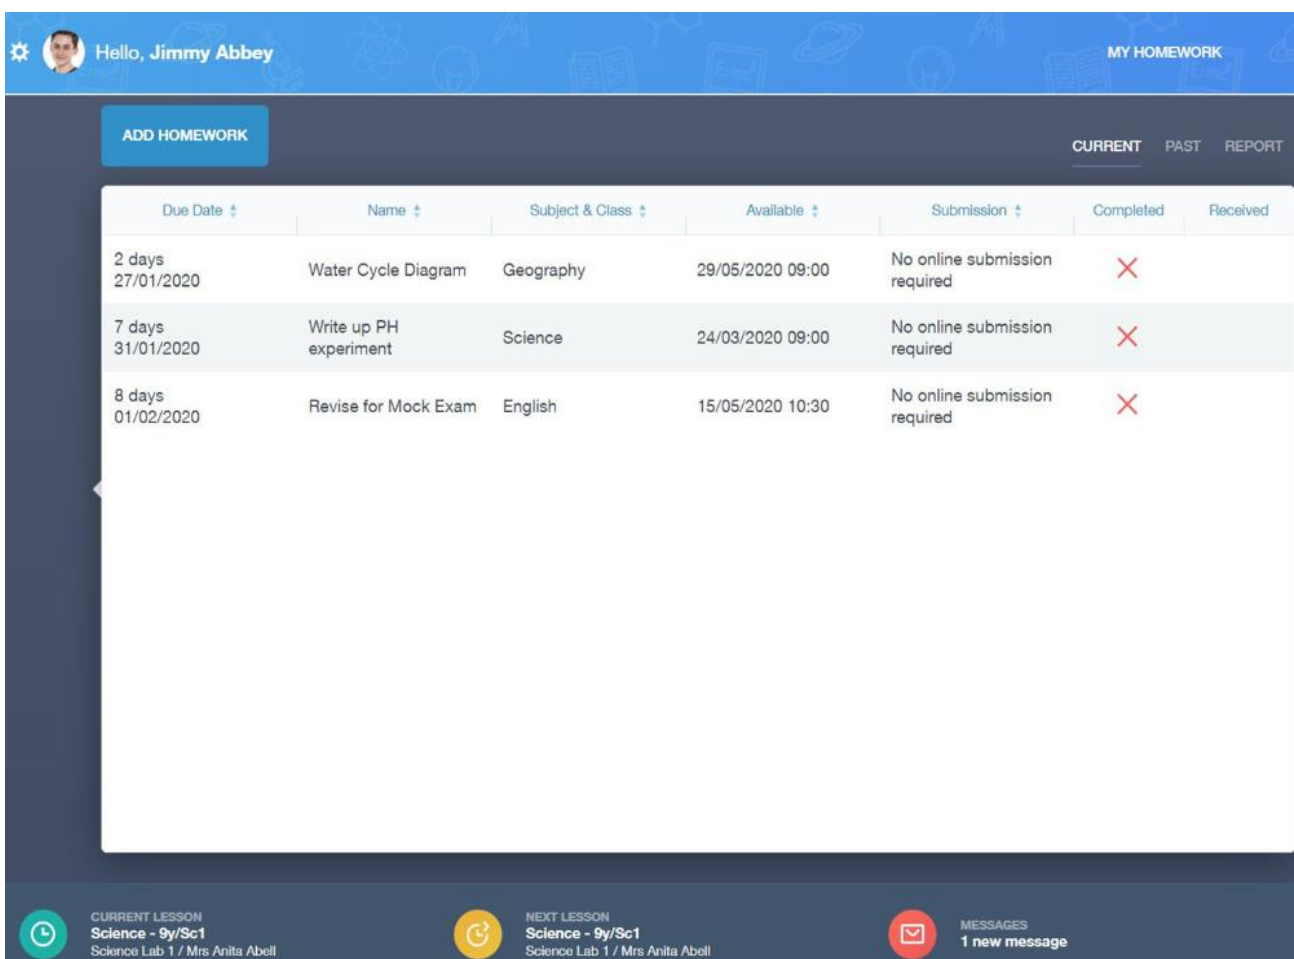

Expectations in terms of frequency and type of homework set by subjects at across all years can be found by clicking on the link below:

To help pupils keep track of their homework all homework is set on the school's communication app Edulink, with supporting material set on Edulink or Google Classroom. In order, for pupils/parents to access Edulink they must have downloaded the app.

If you are new to using Edulink and would like more information, please click on the link below.

On Edulink students and parents can see all their homework assignments and deadlines. They can also add their own personal homework to support revision plans.

The screenshot shows the Edulink interface for a user named Jimmy Abbey. It features a table of homework assignments with columns for Due Date, Name, Subject & Class, Available, Submission, Completed, and Received. The table lists three assignments: a Geography assignment due 27/01/2020, a Science assignment due 31/01/2020, and an English assignment due 01/02/2020. All assignments are marked as 'No online submission required' and 'Not Completed'. The interface also includes a navigation bar with 'CURRENT', 'PAST', and 'REPORT' tabs, and a footer with 'CURRENT LESSON', 'NEXT LESSON', and 'MESSAGES' sections.
