Interventions

Dear Parent/Carer,

Following on from the disruption caused by COVID, we are pleased to announce that we will continue to undertake intensive interventions to support our students. These will be starting as soon as possible and will be reviewed after half term.

We carefully monitor and track our students to identify any areas of difficulty that they may have and use this to decide interventions. Interventions include: literacy, numeracy, handwriting and social skills.

Our primary focus during the school day will be on students in years 7, 8 and 9; however, we will also be supporting some students in years 10 and 11 too, through our Afterschool Homework Club.

If your child receives support in the coming weeks then this should not be a cause for alarm: we are keen to give students support now due to disruption caused by the pandemic. Due to the number of students involved, we will not be sending home individual letters about which interventions students will be involved in or when they will take place. However, if you would prefer for your child not to be extracted from lessons or if you have any queries about this then please send a letter/email into school for the attention of Ms. J. Morgan.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'J Morgan'.

Ms. Jasmin Morgan,
ALNCo,
Ysgol Bryn Alyn
